

Letter to parents' February 2022

Dear parents,

The "foolish" days over the carnival are just around the corner. Even if we have to celebrate carnival a little more quietly this year, it still will be a big event.

On **Old Thursday, 24.02.2022** we will celebrate within the class.
The school will end after the fourth class on this day.

On **Carnival Friday**, class times will be as scheduled.

Children may come to school in costume on both days. Weapon toys of any kind, however, must stay home!

There are no classes on **Rose Monday**!

On **Shrove Tuesday**, there will be an all-day educational day for the staff.
The children have no school on this day.

On **Ash Wednesday, 02.03.22**, classes will be held again according to schedule.

I wish you and your children a good time!

With best regards and a threefold "Alaaf",

U. Becker
