Brief info

Dear parents,

unfortunately there are technical problems at the lab. Therefore, the single lollipop tests that you already registered last school year cannot be registered again. The class teachers will hand out a new test tube to all children in grades 2, 3 and 4. You will receive the description of the registration process once again as an attachment.

On Monday, Aug. 30, 2021, the school photographer will come to the school. Dear first graders, please remember to bring your school cone/goody bag!

Thank you!

With kind regards

A handwritten signature in grey ink that reads "U. Becker".

Uta Becker
Principal
