Bonn, 31.05.2021

Dear Parents,

as of today, a test certificate can be issued for every child tested at school (§1 paragraph 2b sentence 4 of the CoronaBetrVO and §4a CoronaTestQuarantineVO). However, these can always be issued only on the following day of the respective test day.

Grade 1 and 2:

Test days: Mondays and Wednesdays

Issue days: Tuesdays and Thursdays

Grade 3 and 4:

Test days: Tuesdays and Thursdays

Issue days: Wednesdays and Fridays

For this purpose, the NRW state government ordered that the children write their name and the date on the form themselves. The class teachers can sign the certificate later.

In order to keep the workflow at school as simple as possible and still allow the children a lot of learning time, I kindly ask you to always give the lower section of this letter to your child on the days for which you would like have a certificate. Please fill it out in a way that your child is able to rewrite according to your handwriting, if necessary. Your child will then need to present it to the class teacher during open beginning.

Thank you very much.

Yours sincerely

Headteacher

I hereby request a test certificate for my child for the following day:

Name:

Date:

Thank you.
